## History & Construction

---

A well appointed example that was the 2010 show boat at London Boat Show, commissioned in March 2010.

The deep vee hull offers speedy performance. The cockpit benefits from a hardtop with large electric sunroof, transom gate to bathing platform with integral ladder. Seating area of cockpit lifts hydraulically to give access to the tender garage. Wet bar to starboard side of cockpit with sink and fridge. Cockpit seating can be converted to large sun pad with

mattress, there is a hot and cold cockpit shower and full cockpit canopy, and the foredeck has a large sunbathing area.
