## Description

---

### **Parker 760 Quest – 2021 - Keenly priced at £69,500**

The Parker 760 Quest offers a beautiful combination of purposeful styling, comfortable accommodation, a large sociable cockpit, and an advanced stepped hull design providing improved sea-keeping and performance, capable of towing a water skier or toys.

The Parker brand is highly respected, with its sister model Parker Sorrento winning the prestigious Motor Boat and Yachting award, showcasing the brands pedigree.

The flexible design features a surprisingly spacious wheelhouse with a well-equipped galley, an excellent helm position with seating to port that can convert to a double berth, a double berth forward, and a separate heads compartment.

This particular example is a desirable Deluxe version with the extended roof option, and fitted with a wide range of options including an upgraded Mercury Verado 225 V6 outboard engine for improved economy and performance, a bow thruster, trim tabs, electric windlass, heating, fridge, shore power, sea toilet with holding tank, luxury cockpit pack with sunpad, and much more.

This Parker 760 Quest has been meticulously maintained from new with no expense spared.

## Accommodation

---

The Parker 760 Quest features an open plan wheelhouse with an adaptable seating area and a dinette table to port. The forward seat flips to provide forward-facing seating, or facing aft for dining, the table can lower to convert to a small double berth with an infill cushion (Infill unused and kept ashore) The helm position is located to starboard and aft of this a compact well-equipped galley area equipped with a portable gas stove, sink, and built-in 12v fridge.

Good storage is available beneath the berths, under the cabin sole, at the galley, and in various lockers. Moving forward, there is a cozy offset double berth with an opening overhead hatch for overnight stays. The separate heads compartment is surprisingly spacious and fitted with a Jabsco marine toilet (with holding tank), washbasin, and storage.

The fit out and equipment levels are of a high standard, with premium quality marine upholstery and fitted carpets, Webasto diesel-fired warm air heating, and a built-in Fusion MS-RA70N marine stereo system. The wrap-around windows with sliding/opening side sections and a large sliding roof hatch provide excellent all-round visibility and ventilation. Fitted curtains offer privacy when needed.

A two-stage sliding wheelhouse door allows easy access to the aft cockpit with walk-thru transom, providing plenty of space for comfortable cruising.

This Parker 760 Quest is equipped with the optional extended roof, offering a more sheltered and weatherproof cockpit area. Deluxe upgrade pack

Additionally, it has the extended seating pack with premium quality fitted cockpit cushions and a removable table that can be converted into a large sun pad or an additional double berth on warm summer nights. Good storage options include a large cockpit lazarette and additional lockers for small fenders or a horseshoe lifebuoy.

The asymmetric deck layout allows for easy access to the foredeck, which features a removable sun pad cushion. The walk-through transom makes mooring safe and easily managed.
