Length: 28 ft 11 in	Number of Engines: 2
Beam: 10 ft 7 in	Fuel Type: Diesel
Year: 2002	Price: GBP 64,950

Description

Sealine S28 Sports Cruiser - 2002 - £64,950

The Sealine S28 is a very capable and popular all-round performer, giving you the handling of a sports boat at speed with the comfort and style of a family cruiser.

This immaculately presented example is fitted with the more desirable Volvo Penta KAD32 diesel engines (170Hp Each) and has a comprehensive specification including a bow thruster and Eberspaecher heating system.

The S28 offers remarkably roomy accommodation given its compact overall size. It offers luxurious accommodation for up to 6, an ample gas galley and a spacious head which has access from both the master cabin and the saloon.

The sociable saloon seats up to 6 around a high gloss wood table, perfect for entertaining after a day's fun at sea. The saloon can then easily convert into a large double bed if required.

You will feel right at home in the galley which includes a two burner gas hob, plenty of storage for pots and pans, crockery and cutlery, 2 sinks and most importantly a proper refrigerator to keep your champagne cool!

The separate master cabin offers en-suite access to the heads compartment, a large double berth, storage and a hanging locker.

The cockpit offers a fantastic balance of functionality, comfort and sociable space. Seating up to 8 and centred around the cockpit table and entertaining area incorporating a wet bar and fridge. You can stretch out on either the chaise longue or convert the cockpit table into a sun bed/additional double berth.

The helm has been designed for functionality and elegance with a blue dash and silver panels to minimise sun glare. Everything is at hand and easy to see and use.

This example has been fastidiously maintained and it really shows! it has got to be the nicest Sealine S28 on the UK market!

The last full engine service and outdrive service was carried out in mid-November 2021, the hull was polished and fresh antifouling applied. It really is ready to go!

Measurements

LOA:	28 ft 11 in	Fuel Tanks Cap.:	414 L

Accommodation

Stepping aboard the stern bathing platform, the cockpit is accessed through a transom door to port.

Across the stern is a bench seat with a cockpit table which drops to form a sun lounger. Long bench seat on the port side forward running up to the windscreen and to starboard is the helm with full engine controls, double back-to-back seating with storage under. Warm Air Heater Outlet in the cockpit. Clarion stereo speakers in cockpit. Wet bar unit and front opening 12v/240v refrigerator to port.

Down three steps into the light and open main cabin with a large U-Shaped seating area forward with a central table which drops to create a large double berth. Two overhead

opening hatches and side portlights give excellent ventilation and light.
Saloon seating trimmed in beige soft-touch suede upholstery with matching ceiling insets.

Galley area: aft to starboard with two burner Eno gas hob with cover, Sharp R254 240v microwave oven, Engel front opening 12v/240v refrigerator and twin stainless steel sinks with hardwood cover and pressurised hot & cold water supply. Separate tap for filtered drinking water. Ample worktop space and storage cupboards. Two opening portlights giving good ventilation.

Aft Cabin: A door to port gives access to the aft cabin with a large double berth, hanging locker, 3 opening ports giving good cross ventilation. En-suite access door to heads compartment.

Heads Compartment: A second door from the main cabin leads to the heads compartment with Jabsco Electric sea toilet (discharging to holding tank) & cover, moulded basin with hot & cold water supply and shower attachment. Opening port light with obscure glass. Connecting door to the aft cabin.

Eberspacher Diesel warm air heating system with 7 day programmable timer.
Pioneer CD/Radio with Blaupunkt cabin speakers and Clarion cockpit speakers.
2 X TV Antenna socket and adjacent 240V sockets
Clock and barometer

Manufacturer Provided Description

The Sealine S28 Sports Cruiser offers all that is needed for comfortable cruising and weekend fun. The superb cockpit seats up to nine adults and includes a wetbar and optional fridge. The cockpit table also converts the seating area into a double sunbed, while the two-part canopy neatly stows in the radar arch. Attention to safety is a priority: the full-width bathing platform incorporating a concealed swim ladder and hot and cold shower, gives safe, easy access to the cockpit. The saloon has large U-shaped seating with a dining table that seats seven. The S28 features full accommodation in four berths, with the midcabin having en-suite access to the toilet / shower compartment. The galley has a hob and fridge, twin sinks and ample storage. Superb performance is coupled with safe, responsive handling on the S28.
